

FIRST CLASS SHREDDER AL1

EXCLUSIVE, INNOVATIVE DESKSIDE SHREDDER -
STATE OF THE ART SHREDDING

- ageless design with elegant aluminium shell and side panels made from high-quality synthetic material
- "SPS" – Safety Protection System package:
 - electronically controlled, transparent safety flap in the feed opening as additional safety element
 - "EASY_SWITCH II" – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols
 - automatic reverse and power cut-off in case of a paper jam
 - sensory fill level control with automatic stop if the shred bag is full
 - electronic door protection via a magnetic switch
 - double motor protection
- photo cell controlled automatic start and stop
- convenient 240 mm feed opening
- 2 x 15 mm cross cut shredding head for security level 4
- high-quality paper clip proof cutting shafts from special hardened steel
- 30 years guarantee on the cutting shafts
- quiet, powerful 580 Watt single phase motor
- high volume for the shreds (shred bin holds 25 litres)

"EASY_SWITCH II"

Intelligent multifunction switch element with integrated optical signals for the operational status of the shredder.

TRANSPARENT SAFETY FLAP

Outstanding safety features: "SPS" includes an electronically controlled safety flap in the feed opening.

AUTOMATIC STOP

Sensory fill level control with automatic stop if the shred bin is full and electronic door protection via a magnetic switch.
