

## First Class Security

### DESKSIDE SHREDDER

#### EBA 1524 S

#### EBA 1524 C

Powerful, easy-to-operate, safe -  
with large shred volume perfect for small work groups

- high shred bag capacity of 50 litres
- SPS- (Safety Protection System) package:
  - electronically controlled, transparent safety flap in the feed opening as additional safety element
  - automatic reverse and power cut-off (avoids paper jams)
  - automatic stop if the shred bin is full
  - electronic door protection via a magnetic switch
  - double motor protection
  - energy saving mode
- multifunction control element EASY\_SWITCH with integrated optical indicators for the operational status of the shredder
- automatic start and stop via a photo cell
- convenient feed opening of 240 mm
- high sheet capacity (shreds up to 24 sheets at a time)
- powerful, quiet 580 watt motor
- fully enclosed gear box housing with durable gears
- high-quality wooden cabinet, mobile on swivel castors
- environmentally-friendly permanent plastic bag
- paper clip proof cutting mechanism made of high-quality, special hardened steel
- 30 years guarantee on the solid steel shredding shafts
- suitable for safe shredding of CDs and DVDs (with 4 mm strip cut and 4 x 40 mm cross cut version)
- attractive colour combination: silver / dark grey
- quality "Made in Germany"
